## Rising Band Series (Grade levels 1½ - 2)

The Rising Band Series is carefully designed and written to serve the performance needs of the developing band program. In addition to providing quality performance literature for your concert program, each title in the series provides an appropriate musical setting for the conductor/teacher to reinforce musical concepts and skills that have been addressed in the first two years of instruction. Written at two grade levels (1 1/2 and 2), the Rising Band Series provides a variety of musical works that employ the note and rhythm sequence used in most band method books. The Rising Band Series is a sound fundamental approach leading to a command of the concert band.

It is dedicated to Mr. Hiroki Yama, who suddenly passed away in 2018. He was a professional percussionist / drummer and served as a clinician with me at the first clinic in 2018.
